Volume 13

Niles, Washington Township, Alameda County, California, Saturday, December 10, 1921

No. 35.

TRUSTEES PLAN TEMP. BUILDING

Word has been sent out by the Board of Trustees of the Union High School that they intend to build a temporary structure to relieve the congested condition that now exists.

Upon decision by the board, John Donovan, noted school architect of Oakland, was asked to draw up plans and specifications which are now in the course of completion. The board is meeting with some opposition on the temporary building, however, through the Country Club and other organizations in the Township. It is believed by the latter that the money should be spent for permanent buildings rather than in temporary structures and action along this line is being taken, fostered by the Country Club.

When a report of the intended action was made at the meeting of the Club on December 6th, a petition was drawn and signed by all of the members present, requesting the trustees to withhold action until such time as a mass meeting could be called and the question discussed pro and con. A copy of the petition is being sent to each of the trustees individually and it is anticipated that action will be deferred until after the mass meeting to be called upon the discretion of the board.

The Men's League has been asked through their president, Mr. Springer, to appoint a committee to work with a like committee of the Country Club.

RAPID GROWTH IS IRVINGTON REPORT

The Pacific Telephone and Telegraph company's engineers have reported an estimate of population increasing to approximately 200 per cent, which will give the town more than 3000 people, making it one of the principal points between Oakland and San Jose.

The increase anticipated is due to the building there of the Reid Brothers' hospital supply factory, which will employ a large force of skilled workmen. Work on the factory is now progressing rapidly and at the same time a number of new homes are going up. Many sales of houses were reported during the past week at considerably advanced prices over those formerly prevailing. Here are few homes at present for sale in the town and buyers are being turned away.

Boom times for Irvington, according to the way they tell it came to town on a bicycle. George Robinson, a resident of San Leandro, went up there on his "bike" to investigate reports that the town was going to grow as a result of the Reid factory development. He made inquiries at real estate offices, but bicycles and wealth not having been associated much together of late no one paid much attention to him until Otto N. Hirsch took him in tow and sold him a house and a group of lots for cash. Robinson is making place to build a number of bungalows.

Reid Brothers report the sale of their issue of common stock is progressing satisfactorily, with indications that the issue will soon be over subscribed. The sale is being made by the company's own securities department.

WINTER FARM WORK AT IRVINGTON STARTS

Pruning of orchards and plowing is well under way in Washington Township this week, with indications that clear weather for another week will see the majority of the winter plowing and pruning accomplished. The rain last week loosened the ground, and the wind which followed the rain storm, dried the fields and orchards enough to make plowing easy.

A frost of two weeks ago drove back the sap in the trees, enabling ranchers to go ahead with pruning.

CENTERVILLE W.O.W. TO ELECT OFFICERS

A record attendance of members is predicted for the meeting of Maple Camp No. 146, Woodmen of the World in Centerville tonight,

HAVE TIDY SUM IN BANK FOR PARK

The Women's Civic Club of Niles report that they have in the neighborhood of \$200 banked that is to be used in fixing up a park for Niles.

The guns which are now at the high school are the property of this club, if an ownership can be claimed and it is planned to place them in the park when the latter is fixed up.

The California Nursery have offered to donate shrubbery and gardeners to assist in the work of planting the new park and beautifying the place in general. Others have offered their services and teams to assist in filling, etc. With this spirit in Niles it will not be long until the town will boast of a nice park.

It is planned to put the park between the new Ice Co. plant and the railroad crossing, and assistance from the Southern Pacific has been asked and anxiously awaited before a start can be made.

BLUEBIRDS TO CARE FOR NEWARK CHILDREN

Every child in Newark will be remembered at Christmas time as the result of the efforts of the young women of the Bluebird Club which is sponsoring a community Christmas tree service to be held here the evening of Wednesday, December 21.

At a meeting of the club Tuesday night, final details for the festivities were made. A large number of toys, candies and fruit for distribution to the Newark children at the Christmas tree have been obtained by the club. Financial support for the Christmas tree was obtained by the club through a dance given recently.

W. O. W. OFFICERS INSTALLED

A special meeting of the Woodmen of the World was held last night and a number of applicants for admission into the order were balloted upon.

The meeting was in preparation to the ceremony to be held last Friday in the month when the recently elected officers will be installed and over a score of candidates will be initiated into the order.

The drive now in progress for members is meeting with excellent results, according to Leon Solon, clerk of the camp.

E. JACOBI BUYS PROPERTY

A sale of 10 acres of choice land by the California Nursery Company to E. Jacobi, was announced Friday when he negotiated the transaction.

The land is rated among the best in the valley and will be subjected to intensive cultivation by its new owner.

DRUIDS MAKING BIG MEMBERSHIP DRIVE

Plans for an intensive drive for members have been made by Grove 123, U. A. O. D. An initiation meeting early in January which will shatter all previous records of the order here, will end the campaign.

Interest in the order has been aroused among the young men of Centerville as the result of the organization of a drill team by the members of the grove. Al Nunes has been elected captain of the team and has his men drilling regularly. Activities of the lodge have been numerous the past two weeks, Centerville Druids having paid visits to the groves at Pleasanton and Livermore.

At a meeting of the grove Monday night Past Arch A. Francis was presented with a Druid charm by Noble Arch Joseph Nunes on behalf of the grove. The gift was in appreciation of the work done by the order while Francis was noble arch. Al Nunes headed the committee in charge of arranging for the gift for Francis.

VICTORY CIRCLE TO MEET
Victory Circle No. 106 will meet Wednesday evening, December 14, and reports will be submitted regarding the success of the dance given last Saturday night. Attendance records were broken for dances in Centerville.

When election of officers will be held and a program of entertainment presented, to be followed by a banquet.

The election of officers comes after several postponements and interest is keen as the result of the deal.

Bobby Robertson, war veteran, is

GOVERNOR STEPHENS WILL ADDRESS MEN'S LEAGUE AT MEETING, JAN. 20

Governor William D. Stephens has accepted the invitation of the Men's Club of Washington Township, and will speak at a meeting of the club January 20, according to an announcement made on Friday by F. V. Jones, chairman of the program committee of the club.

Efforts have been made by Jones and by H. H. Springer, president of the club, for the past two months to

have the governor visit this section, but January 20 is the first date open according to the governor in his message to Jones.

Invitations to attend the meeting at which the governor will speak will be extended to county officials and other civic leaders, and an attendance of over 150 members is expected. It has not been decided whether to hold the meeting in Niles or in Irvington.

H. SNOW RETURNING FROM HUNT, AFRICA

(EDITOR'S NOTE: H. A. Snow was formerly a resident of Newark, as no doubt many will remember.)

H. A. Snow, explorer, big-game hunter and sportsman, expects to eat his Christmas dinner in Oakland.

After two years in the heart of un-mapped Africa, the Snow expedition, which includes the explorer, his wife, his son, Sydney and his 7-year-old daughter, Norma, is now on its way to America.

Laden with trophies of natural history exceeding in number and variety anything previously brought out of the dark continent, trophies which Oakland's museum will have sole privilege of housing, the Snow party was to have set sail from Africa last month according to the latest advices received here.

The expedition was joined late in the summer by Martin Johnson, widely known for his photographic of cannibal life among the savages of the South Seas, and by Mrs. Johnson. Snow and his son Sydney have also devoted strenuous effort toward securing unusual film reproductions of the life of the natives.

A special feature of the expedition was the filming of wild animal life as it has never before been portrayed.

BIG CROWD ATTENDS BENEFIT MOVIE SHOW

On Tuesday evening when the Young Ladies Institute gave their benefit show at the Rex Theater in Niles, a larger crowd was in evidence than was expected.

The purpose for which it was given is indeed noble and that it is recognized as such by the people of Niles and surrounding country was very evident.

CRUSADE LODGE TO TO INSTALL OFFICERS

Plans are now under way for the installation of the new officers of Crusade Lodge, I. O. O. F., as the result of the election Tuesday night.

R. S. Stewart was elected noble grand of the lodge. Other officers elected are H. Haines, vice grand; C. Morrison, recording secretary; J. M. Scribner, financial secretary; H. Hendricksen, treasurer, and E. A. Richmond, J. H. Ralph and O. J. Emery, trustees.

Installation of the officers will be held last Tuesday in December, it is believed, following the request made by Grand Master Ketterlin, that all lodges in California install the last week of the month.

PROMPT DELIVERY OF FIRE TRUCK IS URGED

Fire Commissioner Ed Rose has announced that a request that prompt delivery of the fire fighting pump recently purchased for Niles would be made as the result of the fire in the rear of the Niles hotel, which for a time threatened a serious blaze.

The fire was discovered at 1 o'clock in the morning and only quick rallying of volunteer firemen prevented the hotel structure from destruction.

Fire fighting apparatus for Niles was ordered by the fire commissioners recently, but has been delayed in delivery. This delay is being investigated by the commissioners.

listed as a headline on the program of entertainment, his specialty being a Scotch dialect act.

ST. JAMES MEN'S CLUB MET WED.

The Men's Club of St. James parish met at a regular meeting on the evening of December 7, at the Rectory. All members were present with three exceptions.

he usual enthusiasm was somewhat lacking owing to the death of two of the club members, Marion Mowry and Peter Mathiesen, they having passed away since the last meeting. The club added one new member, Mr. N. Lax, of Newark.

After adjournment, delicious refreshments were served by the hostess, Mrs. Price. The club will hold its next regular meeting on January 4, 1922, at the home of Mr. Joe Mowry.

RESOLUTION OF SYMPATHY

At the regular meeting of the Men's Club of St. James church, Centerville, held Wednesday evening, December 7, the secretary called to the attention of the members present, that since its last meeting, the club had lost by death, two beloved members, both of whom were honored and respected citizens of Centerville, therefore the members of the club to appoint a committee of three members to draft suitable resolutions of sympathy, and that copies of said resolutions be sent to Mrs. Marion Mowry, and Mrs. Peter Mathiesen and that the same be published in the Township Register, and also be spread on the minutes of the meeting. The committee met and presented the following resolution:

"It is moved and seconded and carried unanimously that the club express its heartfelt sympathy on the sudden demise of Mr. Marion Mowry and Mr. Peter Mathiesen voicing the appreciation of the full membership of the club in the sterling worth of both of the deceased gentlemen and the sense of the great loss the community and the club has sustained in the death of these two worthy men."

For the committee,
Ernest H. Price,
Secretary

NILES MOTOR TEAM TO PLAY IN BERKELEY

The Niles Victory Motor team which is leading the California Division race will travel out to Kinney Park, Berkeley to have their first meeting with the Del Monte Packers No. 45. The Packers have not been going any too well, but leave it to these low brows to show the along. The following Sunday, the Motor boys will meet the Hayward N. S. G. W. at the Oakland Coast League Park at 10:45 in the morning.

TEACHERS' ASS'N MET CENTERVILLE, THURS.

The newly formed Washington Township Teachers Association met in the auditorium of the grammar school in Centerville, last Thursday evening as the guests of the high school teachers.

Some time was spent with whist, and in social intercourse. After refreshments were served, Dr. Free-land of the State Teachers College in San Jose, gave a very fine address, taking as his subject, "The Schools of Today."

President Dias of the association, announced a members of the program committee, J. L. Brinkey, the Township Supervisor of Schools and E. F. Morrison, of the Alvarado school.

The next meeting will be held in Niles sometime in January.

WOMAN LEGISLATOR TO SPEAK IN NILES

Mrs. E. H. Hughes, member of the state legislature, will address an open meeting to be held under the auspices of the Farm Bureau, in Niles on next Monday night, December 12, at 8 p. m., in the assembly room of the grammar school.

The meeting is held in conjunction with the membership drive which is taking place for the Farm Bureau, and it is anticipated that the hall will be filled to a capacity to hear Mrs. Hughes. Everyone is invited.

HAYWARD MAN DUELS WITH AUTO BANDITS

Crouched low in an automobile to escape a hail of bullets, auto bandits and their victim fought a pistol duel along the highway in Hayward early Thursday morning. The robbers escaped but it is believed one of them was wounded.

Frank Cole, proprietor of a garage, was held up by the highwaymen who forced him to fill the gasoline tank of their automobile and took two dollars from his pockets.

No sooner had the bandits left than Cole seized a pistol, jumped into another automobile and gave chase, shooting as he pursued. The robbers answered the fire and for more than a mile the pistols in both machines barked and flashed. Marksmanship was poor on both sides, however, and the race ended when the faster machine of the bandits left Cole far in the rear. Cole believes Cole was held up some time ago at the Daisy Farm Inn with all the guests of the place. He believes the bandits of this morning are the same who visited the Inn. They wore masks made of handkerchiefs.

NEW ROAD SIGNS NILES ARE FINISHED

The new sign posts of the Niles Chamber of Commerce have been completed and will be placed on the highways at the entrance to Niles next week, it was announced today by President F. V. Jones and Secretary M. C. Dassel. The signs give direction to all towns and cities near Niles and invite tourists to stop over in Niles.

ODD FELLOWS HEAD TO VISIT NILES MON.

On next Monday night the Niles Lodge of Odd Fellows will tender a banquet to A. Kiterlin, of Santa Rosa, Grand Master who is making his official visit on that night.

The Rebekahs will assist the Niles lodge in receiving Mr. Kiterlin.

REPORTS REFUND ON GOVERNMENT CHARGE

Mrs. James R. Whipple, president of the Solder's Memorial Monument Association, reports that the government has refunded \$26.44 of the \$40 sent in to care for the preparing for, and shipment of the two urns obtained last spring.

This money is to be turned over to the Women's Civic Club to be used for the Park Fund.

LEGION HEAD IS COMING TO NILES

Among the prominent speakers at the big American Legion meeting in Niles on December 13 will be State Adjutant Morgan Keaton of San Francisco, State Historian N. W. Armstrong of Hayward and State Assemblyman E. H. Christian of the 34th Assembly district, of which Niles is a part. Mr. Morgan Keaton, the new state adjutant, recently was appointed to this most important position by State Commander John R. Quinn, the appointment being ratified by the state executive committee on last Sunday. Christian is one of the eleven service men who served in the last legislature and helped frame the various war veteran bills including the Loan and Home Aid bills. Armstrong is Commander of Hayward Post and was chosen state historian at the last state convention as a successor to Peter B. Kynne, the novelist. Armstrong organized the Niles Post last August with the assistance of Joaquin Fields.

BOOKS AND MOVIES BECOMING ALLIED

Closer alliances between books on one hand and the movies and spoken drama on the other hand are being formed continually in California through the medium of the county and city free libraries of the state.

The Tehama County Free Library in Red Bluff is co-operating with one of the moving picture theatres in that city in a manner which is typical of the relationship which is growing up between the library and the picture theatre. The county librarian an advance list of all the screen features which are to be shown during the month. The librarian then checks over the list for books upon which the production is based or which are otherwise related to the story. This information is placed on a slide which is displayed with the film and announced that the books are available in the county library and its branches.

In Sacramento, the city, county and state libraries are co-operating with the Better Films Board of the Woman's Council of that city in giving publicity to films which are recommended by the Board. The Board prepares each week a list of the films on "Good" and "Fair". These lists are posted in a prominent place in the libraries, high school and other public places.

A Sacramento stock company also gave its aid during Children's Book Week to the program outlined by the city library to revive interest in children's books. At the request of the city librarian, Miss Susan T. Smith, the company produced Kate Douglas Wiggin's "Rebecca of Sunnybrook Farm" and in this way assisted materially in the success of the week.

The Alameda County Library has not yet done definite work with its moving picture houses. It has, however, been in touch with the stories that are shown and has made the books available whenever possible.

One of the great factors in County library work is that a good idea is always generously passed on and appreciatively received from one library to another.

CHANGING THE DAY OF PUBLICATION

The Register, starting with next week, will be published on Thursday instead of Saturday as has been the rule in the past. This action was taken by the new owners only after careful consideration of the possibilities of such change from the standpoint of both advertisers and readers.

Thursday will enable us to get better results for the advertisers because most of the purchasing is done on Saturday and they will be able to place their bargains before the people in time to care for the Saturday trade.

From the reader's standpoint, it is better because they will have an opportunity of finding out where they can get their needs and make a shopping list before leaving home.

With Christmas coming on and a large volume of business expected by the advertisers, the readers will thus be able to fix up their lists for Christmas shopping in good shape.

Do your Christmas shopping early

PARK FOR NILES

The Women's Civic Club of Niles is endeavoring to get some concerted action toward obtaining a park for Niles. This move is one that all citizens of Niles should get behind and help the ladies put over.

A park is always an asset to a town and in many cases takes the place of what was formerly an eye-sore.

IRVINGTON'S GROWTH

The reported anticipated growth of Irvington is something that the Township may feel proud of. It is said that the population has already increased in leaps and bounds which merely reflects the progressive spirit of the citizens of that town.

Well, folks, we said when we took over the Register office that we were going to improve both the equipment and the paper. We have now had our new linotype in-

stalled and are now using it. We are slowly but surely getting ourselves in shape to do the work as is befitting the Township which we now call our home.

We could sit here and explain for a week as to what our new machine can do but, although we have the inclination to, we are limited in space and time, so all we can say further is that when in Niles remember to drop in and say hello, then we will endeavor to explain the new machine and give you a practical demonstration of what it does.

How about calling Niles 23 and telling the Register about that news item?

CHRISTMAS MESSAGE

Washington, November 22, 1921.

To the BOYS AND GIRLS OF THE UNITED STATES.

Christmas is almost here.

Your great Post Office Department has a big job ahead and needs your help.

Think what it means to be Santa Claus to our 100,000,000 people and to deliver Christmas parcels to every family in this great country within the short space of a few days and without disappointment.

It can be done, and we're going to do it if we may have your help. I want to enlist the active assistance of every boy and girl in the schools of our country in getting parcels mailed THIS WEEK to relieve the rush that comes directly before Christmas.

Will you go home today and take this message to your parents and friends:

"Our postmaster has asked us to mail our Christmas parcels THIS WEEK, for, unless we do, Uncle Sam's load may be so heavy the last few days before Christmas that he won't be able to deliver all the presents by Christmas eve."

The parcels must be well wrapped and tied and addressed plainly in order that they may arrive in good condition with their Christmasy appearance unspoiled. You can put on your packages, "Do not open until Christmas."

And, there must be a number on your house and a mail receptacle, too, for, if there isn't, Santa Claus's messenger, your letter carrier, may

not be able to find the house where the present belongs.

There are some other things, too, in which you can all assist in improving the mail service and in saving our great Government millions of dollars a year that is now wasted because of our carelessness—yours and mine.

Every day that you drop a letter in the mail box 40,000,000 other letters are already pushing and jamming through the postal machinery. One letter a day for each family of five persons in the United States is given to Uncle Sam to deliver.

When you send a parcel to the post office for mailing any day there are about 8,000,000 other parcels ahead of yours passing through the postal hopper. This is in ordinary days; at Christmas time it is multiplied many times.

One family in about every ten puts a badly addressed letter in the mail every day. This mixes up over 2,000,000 half addressed letters with the 20,000,000 fully addressed letters. That means that the fully addressed letters must wait on the slow moving poorly addressed letters just like the larger boys and girls are delayed by a bunch of "bad kids" tagging along.

You boys and girls can help the Postal Service and save your father some money, because he has to help pay the cost of searching addresses on letters and parcels sent out by this one careless and thoughtless family in every ten.

First find out if your family is the careless one, then bear in mind that your letters must be handled by skilled mail distributors standing in post offices and on swaying postal

NILES LODGE NO. 382 I. O. O. F.

Meets every Monday night at the Odd Fellows Hall at 7:30.

A cordial invitation is extended to all visiting Odd Fellows.

A. Kitson, N. G.
M. T. Duffy, V. G.
P. H. Ellis, R. Sec.
W. A. Jolliff, Treas.

cars of a mile-a-minute mail trains, often under poor light.

The address on every letter, card, or package must be correct, complete, and legible, including the house number and name of street, and the "From" address should be in the upper left-hand corner so that the mail will be returned to you in case it is not delivered. Do not abbreviate names of States, because so many look alike when abbreviated.

Put the proper amount of postage on your letters and wrap the parcels carefully. Avoid fancy writing, which causes post-office clerks and letter carriers to stop and study, and thus lose time. Make the address plain and easily read, and always use pen and ink or typewriter and light-colored envelopes, so as to save the eyes of the post-office clerks. Do not use envelopes of unusual size. The little ones that are so frequently used for cards and notes at Christmas and other holiday times cause an untold amount of trouble and labor, as they will not fit our canceling machines and must therefore be canceled by hand. Because of their size and tendency to slip out of a package, these small envelopes are more likely to be overlooked or lost.

Mail your letters and packages early in the day, because this avoids overloading and delaying mail at the end of the day.

Your local postmaster and your teachers will tell you more about the Postal Service.

Do these things, and you will win the grateful appreciation of the people in your post office and especially of

Your Postmaster General,

Will H. Hays.

P. S.—Don't forget to mail Christmas packages THIS WEEK.

WARM SPRINGS

ENTERTAIN FRIENDS

Mrs. M. Azeveda entertained a number of friends Saturday evening, the evening being passed with games and cards. Supper was served during the evening.

Mrs. H. Allard and Miss Margaret Breitweiser attended the funeral of T. Ruter in San Jose. The deceased was a former resident of Warm Springs.

VISIT BREITWEISER HOME

Mr. and Mrs. F. Lazarus of San Jose, formerly of Warm Springs, were guests over the week-end at the Breitweiser home.

VISITS PARENTS

Miss Florence Allard of San Francisco visited Saturday and Sunday with her parents, Mr. and Mrs. H. Allard.

THE HOME TOWN

BE LOYAL

(Durand (Ills.) Gazette

Don't go abroad to buy something when you have a few dollars to spend and then ask your home merchants to see you on time when you are broke. If you have bills with your merchant who has given you credit and an extension of time and accepted small payments and take your cash to spend with a stranger who has no interest in your town nine times out of ten he will "do" you because he never expects to see you again. The home merchant will save you money with reliable goods, which he guarantees with his reputation.

A town that is large enough for and good enough for a man to earn his living in is good enough for him to buy his provisions in. If he does not think so, both he and the town would be better off if his tent were pitched on other prairies.

ASK PASTOR TO TAKE CHARGE NEW CHURCH

Protestants of Irvington and surrounding territory are united in the support of Irvington's recently organized "community church."

When it was determined to revive services in the Christian church here it was decided to improve upon the idea and unite all Protestant denominations in order to assure greater strength to the church.

As a result a call was extended Sunday evening to Rev. M. B. Morgan of San Anselmo to occupy the pulpit of the community church until the end of the college year, next May. He has accepted the call. Organization of the community church is due to the efforts of Rev. James Curry of Newark for the greater part, he having served the Irvington church many times in the past when it was without a pastor.

SAN LEANDRO WILL FIGHT CO. DIVISION

San Leandro will fight county division to the last ditch, Mayor Allen Pelton announced Wednesday in an interview in denial of statements published as having come from him.

"It is true," said Mayor Pelton, "that I am not antagonistic to Oakland and that the action of San Leandro seeking to expand is not caused by any enmity of a neighboring city. Except for those who are trying to divide our county I have no feeling against anyone in Oakland. But those who are working for county division, no matter if they come from Oakland, Berkeley, or Hayward, will find us fighting them to the last ditch."

At a meeting of the Ashland Improvement club, Tuesday, the expression of speakers would indicate that annexation to San Leandro will be debated by the election in January. This, it is pointed out, will make no difference with San Leandro's plans for expansion which will be carried out in the neighboring territory favoring the move. Ashland has under contemplation two other plans, one for annexation with Hayward and one for its incorporation as a sixth class city. A number of the speakers favored no change in status. The position of Ashland in the matter, it is felt there, is one for decision by the voters in that community.

Speakers at the meeting included J. Allison Bruner, city attorney of San Leandro; Mayor Allen Pelton and Judge William Gannon, J. Lohrer, president of the Ashland Improvement club presided.

REID BUYS VALUABLE LAND IN IRVINGTON

Announcement of one of the largest realty deals in this community since the arrival of the Reid Bros., Inc., was made Tuesday by T. J. Powers.

The deal negotiated by Powers was the sale of the land formerly the site of the Gallegas wine cellars and the old Bond Tract to Lee C. Reid, of Reid Bros. Inc. The property had been owned by the Western Pacific Railroad prior to the recent sale.

Local realty dealers estimate the property as among the most valuable in Irvington.

WARM SPRINGS BOY VICTIM OF PNEUMONIA

Funeral services were held Monday over the body of seven-year-old Joseph Brown, son of Mr. and Mrs. Antone Brown, who died Saturday as a result of pneumonia. The services were held at the church at Mission San Jose and were conducted by Father Leal. Burial was in Centerville cemetery.

SUGAR HARVEST AT AN END IN ALVARADO

The sugar beet harvest is closed and the huge mill of the Alameda Sugar company prepared to shut down for the winter Tuesday.

Slicing of the last beets ended last Friday night and now the final work of the season is being done at the mill.

With the closing of the mills and the ending of work in the fields, hundreds of Mexicans who have been working there during the summer are leaving Alvarado, departing in groups ranging in numbers from ten to a dozen.

NEW MEMBERS OF CLUB ARE HONORED

Members who have joined the Country Club since January were honored Tuesday by the club at a meeting in the club house in Centerville.

The affair was the annual reception to new members and following a literary and musical program, matters of community interest were discussed by the women.

Arrangements of the program was in charge of Mrs. F. V. Jones of Niles, chairman of the entertainment committee. Mrs. E. M. Hawley and Mrs. Hendricks were the hostesses. Mrs. Hellwig, president of the club, presided during the business meeting.

DIST. ATTY. DECOTO VISITS TOWNSHIP

Ezra Decoto, district attorney for Alameda county was a visitor at the office of the Register on Monday. Decoto was accompanied by his chief deputy, Frank Shay. The county prosecutors were en route to Centerville to try speed cases in the court of Judge John Matos, Jr. Shay was elevated to the position of chief deputy last week, succeeding Theodore Wittschen, who was named assistant district attorney, vice John Calkins, resigned. N. W. Armstrong a reporter for a San Francisco newspaper, accompanied the official party.

WITTY AND WISE

The chap who said truth is stranger than fiction died before fiction reached its present state of development.—Elmira Star-Gazette.

Many a man who can hardly be induced to write to his mother will take chances on getting shot by writing to another man's wife.—Fort Morgan, (Colo.) Herald.

That Kansas man who beat his wife in a cake-baking contest may be something of a sissy, but at that he is better than the man who merely beats his wife.—Detroit Free Press.

A New York actress has sued for a divorce because her husband burned some of her clothes. He must have been carrying them about in his match box.—Brandenburg (Ky.) Messenger.

The earnest citizen hardly knows which one to shoot first—the jazz artist who makes his trombone laugh like a man, or the man who laughs like a trombone.—Kansas City Star.

ALVARADO ITEMS

ANDERSON GETS LIMIT

With records of limit bags of geese and with a goodly number of mallard ducks in their bags, Deputy Sheriff Andy Anderson, Joe Flores, Henry Flores and Joe Avilla have returned from a hunting trip to Colusa. The party was gone a week, and excellent hunting was encountered. Anderson has resumed his duties as peace officer. During his absence, Frank Siquiera was acting as deputy sheriff.

ALVARADO W. O. W. MEET

Alvarado Camp No. 429 met on Thursday night at which time a class of candidates was initiated. A program was arranged for the evening.

I. O. O. F. MET TUESDAY

Crusade Lodge of the Odd Fellows met on last Tuesday night for the purpose of taking action on the proposition of building a new hall in Alvarado. Action on the new building was deferred at the meeting previous, although a report was ready for submission by the building committee.

COMPLETE CHURCH SOON

Construction of the new church of Holy Ghost parish is going ahead rapidly, with the exterior work practically completed. It is expected, according to Father Souza, that the church will be completed by the latter part of January. The structure will be the finest church edifice in Washington township, costing \$75,000 to construct.

DAVILLA IMPROVING

Antone Davilla, Alvarado pioneer, who has been seriously ill for the past few months, has returned to his home there after spending several weeks in Sonoma county. Davilla was taken ill following the extraction of a tooth, and after his recovery was sufficient to allow it, he went to a Sonoma county health resort. He is now much improved.

BUILDING BOOMING

Building activities are booming in Alvarado, and work has been started this week on several ranches. A. M. Dorman, 1433 Josephine Avenue, Berkeley, is having a new house built on the ranch near here which he recently purchased. Steve Smith is enlarging and improving several of his houses in Alvarado, and John Ahearn of Oakland has started construction of a large house on his 50-acre tract near Alvarado.

HUNTING IMPROVING

Hunting is improving in the Alvarado marshes, and a half score hunters of the Garden City club obtained the limit Sunday.

For that
Hungry
Feeling

Mince Pie

Most everybody likes it but some say they are "afraid of it".

We prepare our own mince meat, using only the finest materials obtainable. Don't be afraid of it. It won't hurt baby or grandma because it's absolutely clean and wholesome and delicious. Try it next time you're in. Served hot or cold.

Royal Cafeteria

SOUTH FIRST, PHOENIX

BEET PULP FOR FEED

Proof of the esteem in which local dairymen hold sugar beet pulp as a cattle food is given in the statement made by the Andrade brothers that they have 1,000 tons of the pulp stored away for silage. The feeding of pulp to dairy cattle started only a few years ago, but such excellent results were obtained that practically all the ranchers of the Alvarado section are using it as a winter feed for cattle.

PIONEER COLLAPSES

Mrs. Joe V. Sa, pioneer woman of this section, is critically ill, following a collapse Sunday night. Her condition is serious, and relatives have been summoned to her bedside.

CROSSING REPAIRED

The railroad crossing in Centerville is now more passable to traffic following the repair work done last week by a crew of men under orders of the Centerville Chamber of Commerce. Gravel was placed in the depressions and then rolled, making the crossing level.

NOTICE TO CONTRACTORS

Office of the Clerk of the Board of Supervisors, Alameda County, California

Sealed bids will be received by the Clerk of the Board of Supervisors of Alameda County, at his office until Tuesday, December 27, 1921, at 10 o'clock, a. m. (the day when said bids will be opened and the contract awarded) for the construction of a reinforced concrete girder bridge over Upper Crandall Slough on County Road No. 520, Washington Road District, Washington Township, Alameda County, County of Alameda.

Plans and specifications on file in the office of the County Clerk open to inspection.

Each bid must be accompanied by a check for at least ten per cent. of the amount of the bid or proposal, certified to by some responsible bank, and made payable to Geo. E. Gross, Clerk of the Board, to be forfeited to the County of Alameda as agreed and regulated damages should the party

or parties to whom the contract shall be awarded fail to enter into the contract after the award or to give the bond required by the Board for the faithful performance of the Contract.

GEO. E. GROSS,
Clerk of the Board
Supervisors of the

County of Alameda.
Dated Nov. 28, 1921 Dec. 3-10-17-24

SAN JOSE VETERAN OF CIVIL WAR, BRIDEGROOM

Hary H. Burton, 78, commander of the Sheridan Dix Post, G. A. R., of San Jose, and Mary E. Series, past president of Circle No. 1, Ladies of the G. A. R., were married at Redwood City, Wednesday. The bride declined to give her age.

VENEZELOS VISITED HAYWARD TUESDAY

Eleutherios Venezelos, former premier of Greece, spent a short time in Hayward, Tuesday as the guest of Plato and Milton Demetrapoulos. The former premier was met at the station on his arrival from Palo Alto by a delegation from the Chamber of Commerce headed by J. D. Armstrong and including Supervisor Charles Heyer, I. B. Parsons, W. T. Knightly, George H. Park, and J. T. Nisson. Venezelos was accompanied by a delegation from the Hellenic Post of San Francisco. He left for San Francisco the same evening.

What Shall a Woman Buy For a Man?

It's not so much of a problem if she comes to a man's store—where are to be found complete displays of the sort of things men buy for themselves.

We know what men like, and we'll make it easy for any woman who is puzzled about gifts for husband, father, brother or sweetheart.

If you can't come to our store, write for what you want.

Don't Take Up Your Rugs

or move your furniture to have your house wired

Our electricians are neat and gentlemanly and they know how to work without dust, dirt, noise or confusion. In no case is it necessary to take the furniture out of a room or cover up the pictures or bric-a-brac. You hear the saw and hammer when a piece of closet or attic floor is being moved but that is all. The small chunks of plaster from the tiny holes where the wires go through are caught as they fall. When the job is finished not a trace remains but the dainty fixtures, switches and receptacles and the wonderful convenience of electricity.

We have attractive booklets telling just how it is done and an estimate telling of the cost will place you under no obligation.

VISITING BUNTING HOME

Mr. and Mrs. L. Bunting and family of Manteca are visiting with Mrs. F. Bunting.

CELEBRATES 80th BIRTHDAY

Mrs. E. Yates, who has been very is, has taken a change for the better. She celebrated her 80th birthday on Wednesday.

VISIT MRS. MOWRY

Messrs Walter and Richard Yates and Mrs Scott of San Francisco, and Mrs. Barber of Los Angeles, have been the guests of Mrs. M. Mowry this week.

VISITS WITH AUNT

Mrs. E. Foley of San Francisco spent Wednesday and Thursday with her aunt, Mrs. Mary Smith. Mrs. Smith has not been well but is much improved at present.

COMPLAIN ABOUT LIGHT

Complaint has been made that the light at the Newark corner has not been lighted on certain nights. One lady had a serious accident in consequence of it.

ST. JAMES GUILD

St. James Guild had a delightful meeting with Mrs. C. Hatch on Wednesday. It was a very busy meeting as the work of the year was finished. The ladies adjourned after the usual delightful refreshments to meet in six weeks with Mrs. L. Sturtevant in Irvington. Two new members were taken in.

Expressions of sympathy for the two members who had met with such sadness and a moment of standing prayer was asked.

The financial report showed over \$25 was taken in at the meeting.

longing to Mr. Brown's brother, F. H. Brown of Fruitvale.

Before leaving several neighborhood parties were given in their honor at the following homes: Henry Lechten, L. Milani and Robert Dingleday.

The seventh and eighth grades of the Newark grammar school held a farewell party for Miss June Brown in the Auditorium, and presented her with a parting gift.

The ladies of the Farm Home Department honored Mrs. Brown at the home of Mrs. Collins on Thursday afternoon in place of the regular meeting. Delicious refreshments were served.

The Browns have many friends in the community whom they were sorry to leave. They have ented their home and famous strawberry patches to Mr. Kettman and family.

IRVINGTON

Mrs. L. S. Anderson entertained several friends, on Thursday afternoon of last week in honor of Mrs. Cadwell, who with her husband, has come here to reside.

The boarding and rooming house owned by T. D. Witherly has changed hands, and will now be under the able management of Mrs. L. Rod erick.

Mr. and Mrs. W. T. Maffey motored from Oakland last Sunday, and were guests of their ahnt, Mrs. L. Sturtevant.

NILES

CONGREGATIONAL CHURCH

Rev E. C. Oakey will preach on Sunday morning at 11 o'clock, upon "All sorts of prayers; long prayers; short prayers; foolish prayers and the most wonderful prayer ever offered by mortal man." The Sunday school will attend the first part of the service in a body; to listen to a short "talk to the teen age" on "How large is your world."

All people interested are cordially invited to this service.

SURPRISE PARTY FOR 4TH WEDDING ANNIVERSARY

Mrs. M. Hadad of Niles had a few her friends assist her in arranging a little surprise for her husband in commemoration of their fourth wedding anniversary.

Games, music and dancing was indulged in, after which refreshments were served. Among those invited were:

Mr. and Mrs. Alberg and son, and Leona; Carrie Duarte, Mr. and Mrs. Pete Kallas, Rose Duarte, Rose Juilianelli and Tony Mezza.

NILES WOMENS CLUB TO MEET MONDAY

There will be a meeting of the Niles Women's Club on Monday, December - at 2 p. m., at the home of Mrs. F. V. Jones. The charter is still open and all those who are interested in livic work are invited to join.

HELP YOUR LOCAL PAPER

Don't make fun of your local paper. It has possibilities of being as good as any in the country—and remember that it reflects the community in which it is published, and it is the one product that goes to far places bearing the town trade mark. It deserves the best you can give of active support and sympathetic understanding.

Give the editor the news, whether it benefits you or not.

Don't ask him to print it on the front page and just the exact way youhanded it in.

Don't worry lest the editor amkes too much money. If he's prosperous, he'll be foolish enough to give his community a better paper; that's an editor's ambition—that's why he engages in the publicity business.

Tell him when he has a good paper. You are willing to congratulate your preacher on a good sermon and your merchant on an attractive window display. he editor is no less grateful for a word of praise.

Make it a point to visit the print shop and learn of its difficulties and complexities. At least that will give you a more charitable attitude. The paper should not be a product of the editor solely, but of all those who are interested in it as friends, contributors, readers or advertisers.

Everything for QUALITY —nothing for show

THAT'S OUR IDEA in making
CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarettey aftertaste.

Camels are made for men who think for themselves.

Camel

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

TILLAGE METHODS TO BE SHOWN SOON

The ranchers and orchardists of Niles and the surrounding community will have a unique and exceptional opportunity in a few days to see and study the most advanced methods of modern tillage. On Thursday, December 15th, on the Driscoll ranch, one-half mile east of Irvington, between Irvington and Oakland highways, a working exhibit will be held of plowing, discing, cultivating and subsoiling with mechanical power and tractor tools. The complete power-farming equipment will be in operation from 10 a. m. to 4 p. m., and experts in the subjects of tractor care and operation, proper plowing and cultivation methods and deep tillage practice will be on hand during the entire day for purposes of explanation and consultation.

Because of its importance as an agricultural and orchard section, and in response to the special request of a number of the most influential ranchers of the community, Irvington is one of the comparatively few points in Northern California that will be visited by the imposing caravan which transports the equipment and members of the operating staff for this working exhibit. The caravan has been traveling through California since shortly after the close of the California State Fair, where requests for something of this nature were received from thousands of visitors. In response to the popular demand, three California companies—two of them manufacturers and the third, the Pacific Coast distributor for an Eastern manufacturer, joined for a special service to the agriculturists of the state.

The companies who are furnishing the tools and equipment for the forthcoming demonstration are The Holt Manufacturing Company of Stockton, The Killefer Manufacturing of Los Angeles, and the Dixon and Griswold Company of Los Angeles. The Tractors, two of which will be used in the demonstration, are the T35 model of the "Caterpillar" Tractor, the new model recently announced by The Holt Company, which has created a real sensation from the time of its first appearance at the recent State Fair. The Killefer people are loaning the use of representative items from their complete line of cultivation and deep-tillage tools. The Dixon and Griswold firm has furnished La Crosse disc and moldboard plows, designed and built especially to meet the requirements of California orchardists.

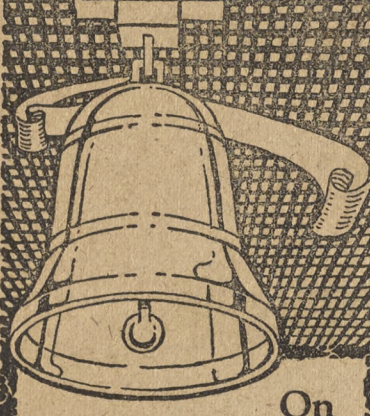

Immense crowds have attended these working exhibits at every point at which they have thus far been held, and there is every promise of equally large attendance at the Irvington demonstration next Thursday.—Advertisement.

START REPAIRING CENTERVILLE STREETS

Under direction of Roadmaster John Santos a crew of men today is spreading gravel on the sidewalks Centerville main street.

The rains last week turned the streets into ditches of deep mud and Santos immediately made plans to prevent further rains from causing the same conditions.

The gravel is laid from the Southern Pacific railroad tracks to the Irvington end of the town.

VICTORY MFG. TEAM LEADS B. B. LEAGUE

The Niles Victory Motors are now the sole occupants of first place in the California Class B race, as a result of their overwhelming victory over the Delphi Club, by a score of 19 to 2. The Hayward Natives were shipped a neat surprise by the Oakland Scouts, which put them in a tie with the Twenty-third Avenue Merchants for second place. A few weeks ago there was a triple tie for the lead between the Victory Motors Natives and Avenue Merchants, but two weeks ago the Merchants dropped to second place when they were handed a trimming by the Natives. Now comes the Oakland Scouts, a second place team, and shatters the pennant hopes of the Natives by giving them a beating. Manager Ellison and Captain Heller are proud of their boys, for at the start of the season the Motor team was figured merely as a "dark horse," but they completely spilled the dope and are now claiming clear title to first place.

The Motor boys used their war-clubs to good advantage and clicked the offerings of West and Farvin to all corners of lot. Twenty-one hits were made in all, five of them going to the credit of A. Pryor and four to "Frenchy" Combatalade, the sterling shortstop of the winners. A. Pryor also shone in the scoring department by crossing the platter four times. Combatalade came next in the scoring line, making three runs and also coming through with a home run, the longest hit of the one-sided game.

Larry Heller was given a rest by Manager Ellison and "Buzz" Cleary did the mound duties for the Motor team. Cleary responded to the appointment by holding the Delphi Club to five scattered hits and sending an even dozen to the bench via the strike out route. With two such high grade twirlers as Heller and Cleary the Motor lads figure to put up a grand fight for the gon-falon. The game was devoid of arguments due to the good work of Umpire Wildermood.

The Niles Victory Motors, who originally entered the league as Eastlake Club, was considered the "dark-horse" at the beginning of the season and have since shown themselves to be one of the best clubs in the California division. A great deal of credit is due Jimmy Welsh and Frenchy Combatalade, former manager and captain re-

EMULATES STORY HERO LANDS IN NILES JAIL

There are two reasons why Will Bancroft is in the tills of the law. The first reason is because he had no work and found food scarce.

The second is because he is a "literary tramp," to use his own definition.

Bancroft who gives his home address as 807 Golden Gate avenue, San Francisco, when he is not answering the call of the open roads, has read O. Henry stories and it was from one of O. Henry's tramp heroes that he gained the inspiration which landed him behind the bars of the Niles jail.

Entering Niles Thursday, Bancroft found that his last nickel was

spectively, in getting together with in a month, a Class B team of championship caliber. Additional credit is due them for the class of baseball they themselves have been playing. Jimmy Welsh at first is considered one of the best in the B League, while Frenchy on short has played practically errorless ball all season and his hitting has helped in more than one pinch.

Both boys recently resigned their positions, but will continue to put their utmost efforts into the winning of each game without the worries of leadership. Upon their resignation Larry Heller was chosen as captain and Tommy Ellison as manager, while the financial end of the club will be taken care of by Al Mortensen, who will hold the eminent title of treasurer.

The superb heaving of Captain Larry Heller is another reason that the Victory Motor boys are on top. In the five games he has twirled fourteen men reached first on walks and an even fifty were retired on strikes, an average of ten strikeouts per game. In the pinches he is at his best as the hitters on the opposing clubs only too well know.

Freddy Ahlfs, fleet-footed center-fielder, has been doing his share. His fielding has been par excellence and when a motor boy is on base, he is always glad to see Freddy come to bat. Nuf sed.

Art Proyer, second baseman, has turned in some fine plays and his hitting has been timely. Against the Risdon Bakery nine he garnered two home runs and two singles which is considerable hitting in any league.

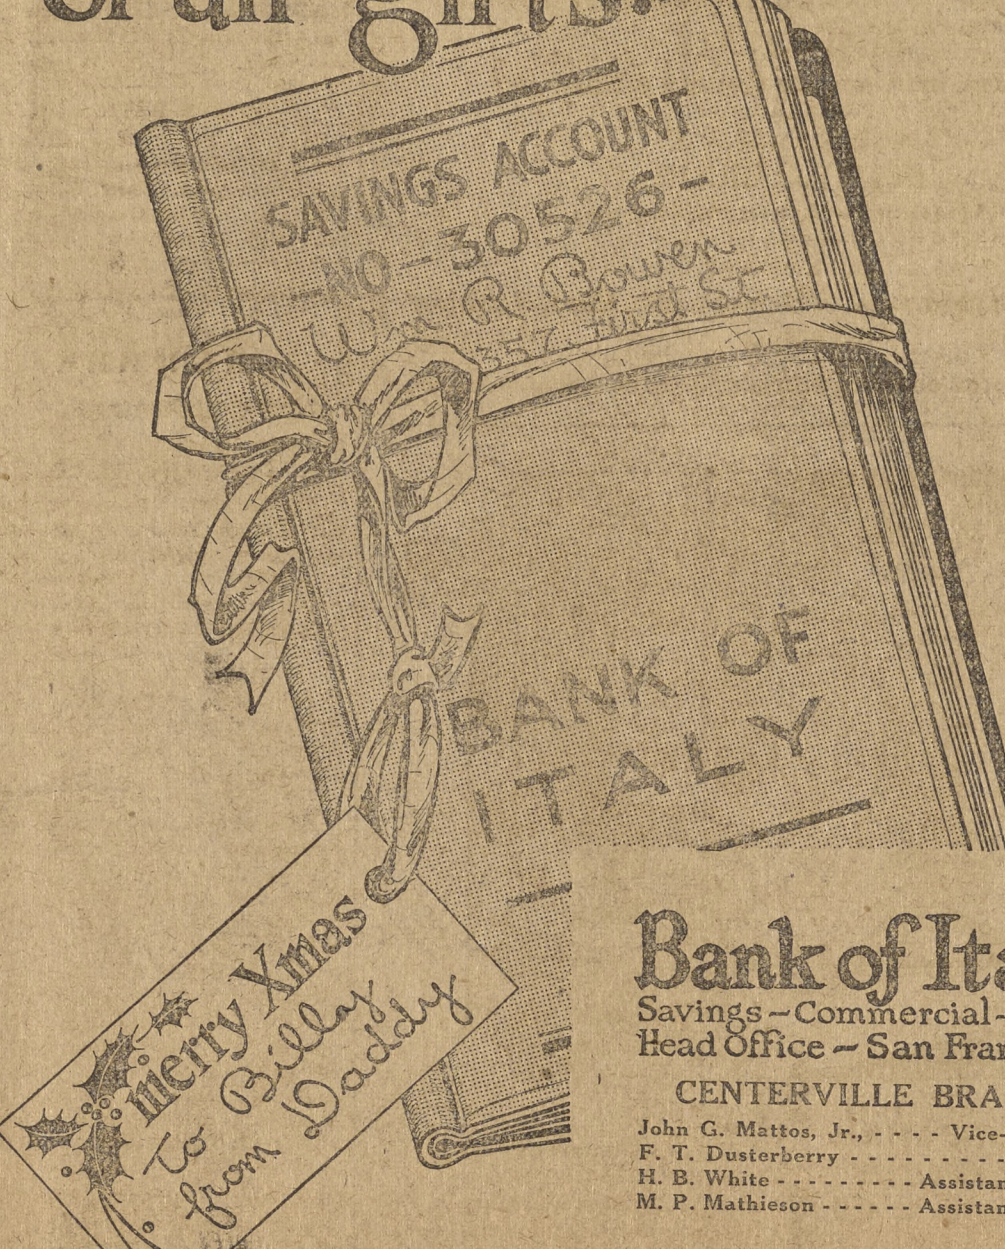

gone and that he had not eaten since Tuesday. He passed a baker's shop and the alluring odors of hot bread was the final temptation. "I recalled the fellow O. Henry wrote about and I decided that I'd better spend the winter in jail," he told officers.

So he began systematically tearing down the hedges of fences along the Niles main residential street. At the first two houses he met with no remonstrance and he was on the verge of more desperate deeds to attract the attention of the law. Just then Ed ose, son of Con-

stable Rose, espied the eccentric actions of Bancroft and took him in custody.

And today, Niles officers, after giving Bancroft several hearty meals, are wondering whether to file charges against him or to free him again to his hungry wanderings.

Swinging Wringer
Prices on All Models Greatly Reduced

Pre-war prices on the genuine Thor, the standard washing machine of America, again prevail. All machines are new, not surplus stock. Day by day they are going through a factory which has never closed down. And they are being made even better than before because of improving conditions affecting labor and materials. Every machine bears the Hurley guarantee. All new prices are standard factory prices now in force.

Buy Now! Don't wait longer. Now is the time. Prices have struck rock bottom, and your home should not be without a Thor Electric Washing Machine.

\$10 Puts Machine in Your Home

Pay only this small amount down and the machine is yours for your next wash day. Easy monthly payments for the rest.
